

THE 19th HOLE

September 2011

The new **golf cart storage shed** is now “up and running” and we already have 5 new cart owners who have booked their space. Members are advised that until golf carts fill the shed it will be available for general storage, including for trundlers @ \$50 pa. Those interested should contact the office.

Pennants Competitions. Our team of ladies in the Thames Valley Zone pennants competition played their last round here at Titoki during the month, and finished the season in 4th place. This represents the end of a long pennants season for all club reps and our congratulations go to all pennants players who represented the club during the season.

Holes in one: No flukes last month. But it is interesting to see scores start to come down now that Titoki has dried out and starting to get some run.

With winter now behind us, the golf program starts to get busy. The **Motocaddy Pairs** (previously known as the Srixon pairs) will be held at Titoki on Sunday 18 September. Lots of good prizes, with winners going on to regional finals.

Our annual **Charity Fundraising Tournament** is planned for Sunday 25 September and we already have quite a few entries. Last year we had over 110 entries.

Strokeplay Champs start for the Ladies next week and the Men starts 1 October.

Titoki twilight starts next month with a new format that hopefully will attract more starters. Details to come soon.

Best club day scores for August:

Best Gross:	Bryan Grafas	69	Julie Gee	81
Best Nett:	Amo Jones	61	Pat Mortensen	64
	Don McKay	61		

The **Titoki Golf shop** has lots of special offers on sale now that the winter season has finished. Most clothing and footwear have 20% off, and Rod is ready to “wheel and deal” on sets of Cobra irons.
